Subject: **MSA Minute**

Here we are in June with three months of COVID pandemic response under our belts, and HHS (and our community) are starting to ramp up services cautiously. Your executive would like to reach out and share some upcoming events that will be of interest to all of you.

Physician Town Hall - Link will be forwarded by Public Relations

On Monday, June 22nd 6:00 – 7:00 pm, there will be a physician focused virtual Town Hall, which will be hosted by the MSA with co-presenters Rob MacIsaac, Dr. Michael Stacey and Dr. Catherine Ross. Watch for the invitation and link that will be forwarded to all of you from Public Relations. You will be given an opportunity to provide questions/feedback in advance of the town hall. (Questions/feedback about the COVID response, the service reintegration processes and other questions of interest to our physician are welcome.)

- Additionally, if you have anything you would like the MSA to bring forward on your behalf, please send it to msa@hhsc.ca

Upcoming Events:

- Reminder, the June 18th Awards Dinner was cancelled due to COVID some time ago.

-
- **Fall Awards Dinner** - We have rescheduled the June awards to *Thursday, November 19, 2020 at the Hamilton Golf and Country Club*, pending COVID19 restrictions. Communication and invitations will be shared as soon as we are clear on whether we can go forward and what that will potentially look like. In the meantime, please put a hold in your calendars.

Lab Coats:

Since we have cancelled the April/June events, if you require a lab coat prior to the November Awards Dinner, please forward your request to Janet Young in the MSA office and she will coordinate ordering for you – MSA@hhsc.ca
